PORE MINIMIZING PRIMER

(REF. P.R.E.F. 010)

PERFECTING PRIMER

This face primer performs a dual action:
1) smoothes your skin by erasing enlarged pores, wrinkles and expression lines,
2) it increases the duration of make-up, keeping it unchanged during the day.
Its highly smoothing gel texture is designed to minimize enlarged pores and imperfections giving a silky effect on the face.
From the very first application the result is immediately noticeable and long-lasting. Fine powders and light oils are the perfect combination to obtain a high performing formula.
The light nude color of this primer makes it perfect also to alleviate the discoloration of the 'enchanted.

CONTAINS

- Light oils that make the product easier to spread and dry;
- Silicone elastomer, which smoothes the face and reduces pores;
- Hyaluronic acid, with anti-aging effect;
- Treated pigments that blend with the skin.

APPLICATION TIPS

After thoroughly cleansing the skin and patting the face dry, apply a thin layer of the primer with fingertips, a sponge or a brush. The skin will immediately look smoother. Once completely dry proceed with the application of foundation.

PACKAGING SUGGESTION
